PRODUCT BESCHRIJVING

The trousers are specifically designed for working long hours with a brushcutter or trimmer. Place for extra padding to relieve the hip. The water repellent material on the front and on the side of the legs offers also extra padding against gravel. The surface treated fabric simplifies cleaning when brushing wet grass. A reinforcement on exposed areas increases durability and lifespan. Ventilation zippers placed on the back of the legs help to keep the temperature on a comfortable level. The ergonomically pre-bent knees offer high movability. Size 46-60.
