### PRODUCT BESCHRIJVING

X-GUARD Bio Chain oil from Husqvarna is a premium bio chain oil, based on renewable raw materials. X-GUARD is recommended as a year-round chain oil with a top-class lubrication and tackiness. Due to the tackiness, the oil consumption can be reduced without any risk for increasing wear. It also gives minimal amounts of residues on the machine. X-GUARD has an extremely high viscosity index, which means that the viscosity varies less with temperature and the chain oil working excellent also in cold conditions. X-GUARD Bio Chain oil exhibits very good anti-corrosive properties that gives very good storage stability after use of

products. The product is readily biodegradable in soil and water, non-toxic for human or the environment. EU Ecolabel certification makes it simple to know that the product is both environmentally friendly and good quality.
